1-Grab a keyboard cover from the front table.
2 - Open Word ... change your margins to "Narrow" (Layout $\rightarrow$ Margins $\rightarrow$ Narrow)
3 - Put a text box in the upper right-hand corner:

**Type your first and last name, class, date, and "Keyboard Cover \#8" inside the text box.
4 - Save as (be sure to save it to YOUR shortcut-username): Cover 8, [today's date]
5 - Go to my website (mrsdriscol.weebly.com) ... click on "Keyboarding" link ... click on "Typing Club" link
${ }_{6}$-Put the cover over your keyboard - push your keyboard back under the cover (no cheating). sit up straight, no slouching in your seat - again you do not wanted to be tempted to peek! ©

7 - Here are the exercises you will be typing today: $213,214,215,216,218,219,220,221$, 223, and 224

8 - If your "Accuracy" is $85 \%$ or higher, you may 'snip' your results. **Look at the examples ON THE BACK to see what you are snipping.** You can snip either result (or a combination of the two).

9 - Copy and paste your 'snip' onto your Word document. Format $\rightarrow$ Wrap Text $\rightarrow$ In Front of Text
10- Make a text box next to your 'snip' and type the Lesson number inside. notice the examples on the back.

11 - Save every so often after you copy-and-paste your snip results. Resize so everything fits on 1 page.
12 - Print and turn in.
13 - Return the cover to the front table in the stack. Return this paper to the front table as well.
14-Go to JMC. What other computer assignments do you need to finish up? Get those done now.
15 - If you are done, done, done with all computer assignments, then you can head to your "Done Options" email to see what your options are.
***You may play Nitro Type IF you use a KEYBOARD COVER - the cover MUST be completely over your keyboard - no cheating.

FLIP UHIIS PAGE OVER... NOTICE THE 2 ROSSIBLE RESULT SCREENS
YOU COULD SNIP.

You could do it this way.

Be sure to include the Lesson number in the text box.
